Warranty Information - Three Step Process

The following steps and procedures must be followed for warranty to be valid.

✓**Step One** - Contact Sign Fab®, Inc. immediately regarding damages before any repairs are made to the sign. Sign Fab® must give prior written consent and approval for all bills or invoices associated with any defective parts and products.

✓**Step Two** - Detailed information along with photos of issues or damages must be sent via email to support@signfab.com before Sign Fab® can approve any repairs, costs or invoices associated with signs.

✓**Step Three** - Sign Fab®, Inc. will contact you promptly and warranty issues will be resolved.

Before installation, signs need to be carefully inspected for defects. Labor costs and service calls are not covered by warranty. Under special circumstances Sign Fab®, Inc. may approve some labor costs. This will be determined after the Three Step process has been followed.

We offer a standard stock of high-quality LED modules suitable for a wide range of product applications. These modules include a 10-year parts and 5-year labor warranty. Other LED brands are available upon request. All components are UL listed for use in the U.S. and Canada.

Our products are warrantied for 5 years to be free of defects in materials and workmanship. Warranty is limited to specific component warranties supplied by those manufacturers.

This warranty is limited to:

Replacing Defective Products: In order to maintain respective warranty all defective products must be replaced using same types and brands used to manufacture signs. These are only available through Sign Fab® or the manufacturer. *Contact Sign Fab® Customer Service for more details.*
